Students who have earned a Bachelor's Degree or Higher – Admissions

Students who have an earned bachelor's degree or higher which includes equivalent prerequisite coursework may apply directly to the DPT program.

If you have a bachelor's degree from another college or university and you wish to apply directly to the DPT program, contact MaryAnn Venezia, Graduate Professional Program Coordinator, at venezia3@buffalo.edu for course evaluation and additional information.

Students apply online to the DPT Program through PTCAS (link to ptcas.org) by the stated deadline.
